2015 MAINLAND SCOTLAND

Holidays based at Mountview Hotel, Nethy Bridge

Join us in the heart of the beautiful Cairngorms National Park during our 25th season, and see all the birds and other wildlife of Scotland. During your holiday we are based at our comfortable hotel as we visit places where wildlife is special in the Highlands and we also take you as far as Orkney, the Isles of Lewis and Harris, Skye, Mull and Handa Island. All travel is included, and of course all accommodation, food, and access fees – terrific value!

Above all, your holiday includes the services of an experienced Heatherlea Guide. Much more than a friend to help you see and identify birds, he plans your entire holiday, organising everything to suit wildlife and weather. Our groups have just seven clients per Guide, so come and join us during relaxed and personal holidays which are great fun.

Choose Heatherlea, the Scottish birding specialists with everything you need.
